## WHERE WILL THE NEW YEAR TAKE YOU?

Wow! Can you believe it is already 2012? Where has the time gone? What have I done with my life? How have I ministered to people? Have I lived my life as if Christ were standing right by my side?

If you answered no, then vow today to change.

2012 can be a year of no regrets. 2012 can be a new year and a new beginning. A year of making decisions in the light of God's Word.

You may not think that it is possible, but it is. However, the **ONLY** way you can change is by **JESUS CHRIST!**

First, in order to make these changes you need to have a personal relationship with Jesus Christ.

Secondly, you need to daily walk with Him. This means a devoted

time every day where you read your Bible, pray and listen to what God is telling you (We should listen twice as much as we speak--that's why God gave us two ears and one mouth).

Thirdly, we need to be obedient to the things He is telling us to do. Don't just stand around and watch someone else do what God has called you to do. It's time that we as Christians stand up for what is right. **Wake up America! If we want our nation to change, then we have to be the ones to say enough is enough.**

## WILL YOU BE OBEDIENT? WILL YOU GO WHERE HE SENDS YOU?

So the choice is up to you. What will your 2012 be?
